*Dear Aunt
Helen
Helen*

Alma

Oh, never may a shadow fall upon thy cherished
name,

Oh, never may thy sons and daughters bring thee
reproach and shame,

Before us as a flaming beacon that guides the wanderer
to shore,

Thou Marion dost lead us onward, our guide for
evermore.

Oh, Marion, the coming years will never dull our
love for thee.

The hours we spent within thy walls will live again
in memory.

The noise and tumult of the world, the bitter storm
and strife

Will lead our thoughts to high school days, the
sweetest time of life

Dear Jimmy,

You'll never know how honored I feel having a space reserved just for me! Really, I do appreciate it!

I've missed having you in class this year but seeing you pass by has helped a lot. Also, Robert has kept me from forgetting (?) you. (as if I could)

Jimmy, you are a very wonderful person and I'm sure you'll be a huge success in life. Keep working hard and always have that smile handy. Hope to see you this summer and next year.

Best of luck in all you do in the future,

Jean Diggs

Jimmy, It sure has been good in Alabama.
It certainly will be fine if you and car
go camping together out the lake south. ^{With}
Joe Cross, we will go.

Senior Play — "One Foot In Heaven"

ONE FOOT IN HEAVEN, a three act comedy drama, telling the story of a minister's family, was the play presented by the Senior Class on April 12 and 13, 1956, before an audience of over a thousand people.

The play written by Hartzell Spence tells of the hardships and complications that Reverend William Spence and his family encounter when they move into a new town. The condition of the church and parsonage along with the people's attitude present an excellent plot for the play.

The cast consisted of Will Greenwood as Reverend William Spence, a minister; Barbara Rouse, as Hape Spence, the minister's wife; Ned Legard as Hartzell, their son; Margaret Eller as Eileen, their daughter; David Parks as Dr. Ramer, a good friend; Alice Jasik as Louise, Hartzell's heart throb; Eva Prager as Maria, a pretty Mexican girl; Mary Lou Crackett as Mally, a crusader; Jimmy Richards as Ranny, Mally's brother; Ja Ann Young as Letty, a pest; Jane Hartan as Mrs. Sandaw, a wealthy and proud woman; Mary Elizabeth Petty as Mrs. Digby, a haughty choir singer; Jae Bill Rogers as Georgie, Mrs. Digby's spoiled son; Mary Lou Riddle as Mrs. Cambridge and Sarah Thomas as Mrs. Jellison, church workers; Tim Page as Major Caaper, a man of sixty; Curtis Murray as Bishop Sherwood, a just man; Ben Fulton as Reverend Fraser Spence, narrator.

Mr. A. L. Mitchell and Miss Betty Lou Greenwood directed the play. Student directors were Edwina Walfenden and Cliff Rasen. The play was made a big success by the participation of all the Seniors.

Barbara Rouse, Will Greenwood, Jaann Young, Tim Page, Margaret Eller, Sarah Thomas, Jae Bill Rogers and Mary Elizabeth Petty smile happily after a successful production.

Seated—David McCoy, Ruth Berry, Judy Scott, Bill Thompson. Standing—Janet Steele, Mary LeDuke, Pat Scott, Nancy Johnston, Pat Burnop, Elizabeth Funk, David Hill, Betty Bear.

Junior Play — "Tempest and Sunshine"

On November 22, over eight hundred people crowded into the M. H. S. auditorium to see TEMPEST AND SUNSHINE, a three act comedy drama, presented by the 1955-56 Junior class. The play written by Ned Albert presented the heartwarming story of the Middletons, who lived on a Kentucky plantation.

The cast consisted of David Hill as Joshua Middleton, a Kentucky landowner; Elizabeth Funk as Nancy Middleton, Joshua's wife; Ruth Berry as Julia Middleton (Tempest), Joshua and Nancy's high-spirited daughter; Judy Scott as Fanny Middleton (Sunshine), Julia's lavable sister; Mary LeDuke as Aunt Judy, a negra servant who loves Uncle Luce; Pat Scott as Uncle Luce, who loves to pester Aunt Judy; Janet Steele as Ambrosia, a mischievious colored maid; David McCoy as Dick Wilmot, a Northern school teacher; Nancy Jo Johnston as Mrs. Ida Carrington, a society matron; Patricia Burnop as Kate Wilmot, Dick's sister; Bill Thompson as Dr. George Lacy, in love with Sunshine; and Betty Ann Bear as Susan Middleton, Joshua's old maid sister.

The Play was directed by Mr. A. L. Mitchell, who was assisted by Misses Peggy Jaynes and Mary Sebastian.

The student director was Eugenia Guillan. All the juniors serving on various committees and selling tickets aided in making the play a successful production.

Sunshine (Judy Scott) scolds Ambrosia (Janet Steele).

Tempest (Ruth Berry) argues with Dick Wilmot (David McCoy).

A Backward Glance

The old bell rang out again and we students found our foot steps leading to the halls of Marion High for another year of readin', writin', and 'rithmetic. Yes, on September 6, the largest number of students in the history of Marion High School entered the auditorium to be welcomed back for a year of study, fun, excitement, and, for many of us, cherished memories.

September 2 found many of the students already in the spirit as they cheered the hard-fighting boys on to wreck Rich Valley, 14-2, in the first football game of the season.

The great day arrived on October 12. The day when no one had any trouble distinguishing the seniors from the underclassmen—the day when the class rings arrived.

"Rock Around the Clock" started the ball to roll on the M. H. S. Homecoming activities as the Variety Show curtain went up on October 20.

Everyone was "rocking" with school spirit as Marion's Scarlet Hurricane faced Abingdon's Mighty Midgets on October 21. This homecoming was different this year. The Hurricane boys came through with a 12-7 score to win the first homecoming for Marion in seven years. The highlight of the half-time was the crowning of the Homecoming queen, Alice Jasik.

Queen Alice and her court, Margaret Eller, Martha McDonald, Elizabeth Anderson, and Barbara Starling, reigned over the Homecoming dance on the night of October 22.

November 18 found the seniors and juniors attending "College and Career Night" to get acquainted with representatives from 19 colleges, 5 nursing schools, 3 business schools, one trade school and 3 industrial plants. All of us learned something of value that night and went on our way with a clear idea of our future.

The Junior Class presented their play, "Tempest and Sunshine", a comedy drama in three acts, on November 22. Ruth Berry and Judy Scott ably presented the leading roles along with a fine cast of others.

A very welcomed Thanksgiving holiday began on November 24. The students got a much needed rest (?) and perhaps the teachers needed one, too.

No one could forget all the work the seniors did to finance their trip to Washington. With the selling of address labels, Christmas trees, and movie tickets, the seniors were well on their journey.

December 3 was a happy day for the Hurricane basketball teams as the girls team downed Cleveland 71-69 and the boys rolled the Cleveland team 66-57 in the first game of the season.

Our annual Winter Wonderland dance set the yule spirit moving as Joann Young and Kenny Mink were crowned Queen and King of Snow in a setting of "Silver Bells".

The M. H. S. Band and Chorus gave their annual Christmas Concert on December 18 to further our Christmas spirit. The band delivered a program of Christmas carols, hymns, and overtures, while the chorus gave a Christmas cantata.

December 21 started the long-awaited Christmas holidays at M. H. S.

On January 3 we returned from a two weeks vacation to begin the last minute cramming for mid-term exams. Exams were given on January 23, 25, and 26, being interrupted on the 24th by a big snow, which gave all of us an extra day for study.

The FHA-FFA sponsored the Valentine dance in the M. H. S. gym on February 11. Gertrude Shumate and Roger Sturgill were crowned Queen and King of Hearts.

Our beloved basketball teams ended the season with a 13-9 record for the boys and 12 wins, one loss for the girls. We sure were proud.

"On To Washington" set the scene again on March 5 as the seniors teamed up against the faculty to play the annual game. Arrayed in blue jeans and ribbons, war paint and signs on their backs, the seniors met their superiors on even grounds to be defeated in the girls game and to win the boys.

For only 20 cents the students of M. H. S. got out of two whole classes on March 8 to view the Beta Club Talent Show.

On March 12 Marion students were honored with the presence of Dave Rubinoff, world violinist, as he presented a short concert for the pleasure and entertainment of all.

March 23 marked the date as the **Marionette** "Sock Hop" took over at M. H. S. My, what socks!!

Then as the time grew short there was the FBLA "Sadie Hawkins Square Dance", club conventions, track meets, baseball games, Easter vacation, the Senior play, "One Foot In Heaven," the Junior-Senior Prom, and numerous other spring events on the M. H. S. calendar. Oh, yes, we can't forget the seniors trip to the Capital City.

Of course, at the end of it all was the most important thing—GRADUATION!! The seniors were leaving and the juniors would replace them, but the hearts of everyone would always have a warm spot for dear old M. H. S.

Opportunities . . .

. . . in the industrial world today are unlimited. Automation, atomic energy, a rapidly increasing population - - all point to a period of unprecedented growth in the industrial life of our nation.

Like many others, the textile industry is just scratching the surface of its own latter-day revolution, which began less than a quarter century ago with the introduction of man-made fibers.

Burlington Industries pioneered in production of fabrics from man-made fibers, and is today the world's leading textile concern.

For young men and women thinking in terms of a career, the textile industry today offers opportunity "without bounds" in manufacturing, merchandising, research, development and design and many other related fields.

symbol of progress...

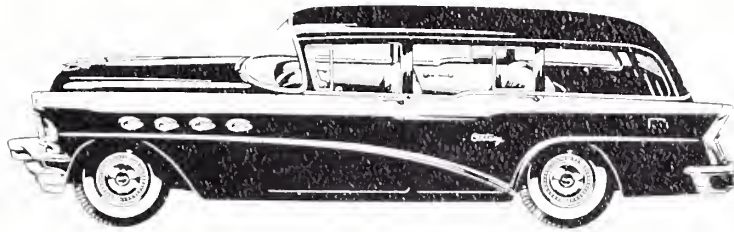

As graduation nears, let's take a serious look at the past. We see that education has been largely responsible for the progress of our nation.

Why? Education is PROGRESS.

Today — more than ever before — industry, business and labor, all, know the true values of a good educational system. EDUCATION continues to stand as a true symbol of PROGRESS.
